The Illbert Bill aimed to provide Indian judges the authority to try Europeans in certain cases. The Controversy arose me to the fear among Europeans in India that they would be tried by Indian judges, which they The bill was eventually passed with amendments, but it highlighted the growing tension setween the British and the Indian population. Indian National Congress (1885-). 3. Founded by A.O. Hume, an ex-British civil servant, the Indian National Congress platform for Indians se king self-

1	governance. The Congress aimed to
	represent the political aspirations of the
	Indian people and worked towards
	achieving independence through peaceful
4	means.
4.	Partition OF Bengal (1905).
	The British divided Bengel, India's
	Largest province, into two separate
	entities - East Bengal and west-Bengal.
	This more was primaily aimed at
	Weakening the influence of Bengali elite
	and strengthening British control over
10000	the region. The partition led to 9
	wide spread protests, known as the
	Swadeshi movement, which sought to
	buycott foreign goods and promote
	indigenous industries.

	Commission was appointed by the British government to study the constitutional position of India and recommend reforms. The commission faced widespread protects as it consisted entirely of British members, leading to the perception that it did not represent Indian interests. Lahore Resolution (1929): Lahore Resolution adopted by the Lahore Session of the Indian National Congress, the resolution demanded complete independence for India, with the British government acting as an advisory body during the transitional to period. This marked a significant shift in the Congress's demand from Dominion Status to full independence.

4 67.	The Second Round Table Conference
	(1931):
	The Second Round Table conference took
	place from September to December 1931.
	The primary focus was on the
	representation of different Communities
	in the legislative bodies and the future
	Constitutional reforme. The conference
	led to the Greenment of India Act 1935,
	which provided for a more significant
	role for Indians in the administration
	and laid the foundation for the eventual
	transfer of power.
1	The first series
. lc.	The Third Round Table Conference: (1932).
	The third Round Table Conference was held-
	(6)

in London from November 1932 to

February 1933. It aimed to finalize

the discussions on the representation of

various communities and the federal

structure of India However the

conference was less productive than the

previous ones, as many Indian leaders

borgotted it due to the lack of

progress.

Issued by British statesman Six John Simon, the Communal Award allocated a certain number of seats in the Central Legislative Assembly for different religious Communities This move led to widespread protets from Hindu and Sikh Communities, who opposed the separation of electorates based on religion.

Poung Pact (1932):
Pung Pact brokered by Mahatma
Gandhi and Dr. B.R. Ambedkar, the
leader of the Dalit community, the
Porna Pact resolved the usue of separate
electorates for the Untouch bles (leter
known as Dalits). The pact increased the
number of seats reserved for the
Untouchables in the provincial and
Central legitative Councils.
J
Government OF India Act (1935):
This act provided for the establishment
of provincial autonomy in British India.
It introduced a federal structure, with
the central government and seven
provinces having their own legislative
assemblies and executive councils.
The act also allowed for the election
of Indian representatives to there
assemblies.
The second secon
