TOPIC : ISLAM (ESSAY)

INTRODUCTION :

The word Islam is taken from Arabic word "SLM" which means peace. The other meaning of Islam is submission or surrender. The contextual meaning of Islam is "to enter into the peace by submitting to the will of Allah". Another contextual meaning of Islam is "submission of ~~our~~ desire to the will of Allah". According to Shariah Islam is "Submission of desire Voluntarily to the will of Allah".

In Quran Allah says in the context of Ayat that "It is your choice that what ever religion you have to choose".

In Surah Kabir Allah says in the context of Ayat that "for you its your deen and for us its our deen". As we all know that Islam is a universal deen. It is not limited to a specific time, Geography and ethnicity. Islam also guides us in every aspect of life.
