

The state and the powerful institutions are using law for their interests. Owing to this, the rule of law and democracy is weakened. In the recent decades, it has been ~~an~~ augmented. Not only the struggling countries but also well developed countries such as USA; <sup>incoherent sentence</sup> There are plenty of examples which indicate the democracy of the USA. <sup>indicate what????</sup>

In the recent years, Pakistan <sup>has also been</sup> is also facing the same crisis where powerful institutions are taking advantages with impunity. For instance, one of the media stars ~~was~~ ~~was~~ abducted four months ago but no one knew who had done this. Even, the police refused ~~to~~ ~~for~~ looking <sup>CMO</sup> for him and ~~also~~ agencies were not aware about him. After ~~the~~ four months, when he returned back, no one had asked him about his abduction. However, it was very much clear ~~that~~ from the condition of anchor that he was touchered. Unfortunately, no one cares about it because it ~~was~~ ~~done~~ by powerful institutions. In Pakistan, there is no freedom of expression. Whosoever ~~speaks~~ <sup>CMO</sup> the truth ~~was~~ abducted and touchered. There are many instances which are frequent, ~~but~~ blatant and egregious with ~~struggling~~ countries. Such as Philippines, famous anchor Maria, who got noble prize in 2021 was charged with ~~fake~~ cases because she spoke the truth. Therefore, it is necessary to bring reforms and restores the rule of law.
