ISRAEL & PALESTINE CONFLICT:

Israel & Palestine conflict is complex ~~issue~~ which had started ~~since~~ in 1948. ~~and till~~ ~~today~~, and gradually Israeli ~~people~~ settlers occupied some territories and settled about 7,000 thousands. They thought that they were livable there, but it wasn't tolerable act of Israeli vagrants. Israeli were supported by Balfour Declaration whose purpose was to establish a Jewish state on Arab soils that means Palestine.

1948 establishment of Israeli state unofficially existed. "U.N" Security Council endorsed Balfour Declaration, Two-state: Israel and Palestine.

From 1917 to 1948 Land was settled by Muslims. In 1948 was they occupied majority and then, "1967 war" occupied during "6 days war", west bank and Jerusalem. As a result it effected critically on people who're living in Palestine, Jerusalem and geographically destituted also, through many wayfares are being to seen, in both countries.

- i. Equality that can bridge the gap.
- ii. Illegal occupied territories of Israel.
- iii. Humiliation activities of Israel and U.S. As Biden and other allies.

allies

DATE: _/ _/ _

- a. Keeping ⁱⁿ view, within equality there might be peace in both countries, by dividing or sharing facilities of security, religion base no discrimination in religion nor Jews.
- Because water is supplied by Israel in Palestine, the people of Palestine have no permission for having medical equipments, medicines,
- extra needed things if they need of it. When Israel allow them so they can get. Modern facilities like, internet, electricity, and other sources are under custody of Israel; through they can not interact with their loved ones. Simply they are in open-air Prison.

Illegal

- b. Illegal occupation is against the International-Law and UN resolution. According to Balfour declaration it was distributed or divided into two-states Israel state and Palestine "West bank". They forcefully occupied nearest territories in 1967, they occupied completely.
- In 1988, As Israeli Jewish-law it was implemented that Palestinians are deport. After math "Sheikh Jarrah" captured, Jewish colonies were developed in "Promise Land".

While having separate state people of Palestine use Israeli passport Palestinians have to obey the Jewish law and Jewish has rights of citizenship of Israel and Palestinians have not. Now they totally (Israel) occupied and get advantage of Israel to displace people and take a control on "Gaza" Palestine.

(iii) Humiliation actions of Israel & U.S.A. & other allies, They are not permitting food, starvation of people, people in Gaza are unhelpful. Since attack of "Hamas" on 7th October "30,000" people are martyred which is 170-180 ~~as~~ as daily, 2 million+ people are displaced, on other side innocents are facing starving for 6 months. Many of them are trying to leave their homeland but at nearest border "Rafah" crossing they are not allowing Palestinians as refugees. Situation is over uncontrollable and other side continuously bombing of Israel and his allies, U.S.A. is behinded supportive of Israel. For this conflict and humiliation activities few days ago U.S.A. gave aid to the people of Palestine 10 people were hit and martyred lost their lives. It is against Humanity.
