

## Translation 2024

When the Palestine self imposed conflict came before the United Nations for discussion, the international institution, accepting the Palestinians right of self determination, set a formula it self proposed the solution of Palestine conflict as "Two State Solution". But in this regard already passed resolutions of United Nations were not implemented for the last 7 decades. On the contrary, Israeli forces are shedding the blood of innocent and unarmed Palestinians even today on behalf of the America, and the area of Gaza is completely destroyed in an on going war for two months. In this war, <sup>Israeli troops</sup> with the help of America, have <sup>brutally</sup> martyred over 90 thousand Palestinians, including women and children and left no safe

place for the survivors those are  
losing their lives due to  
shortage of food and medicines  
now.
