6) Presidential or Pailiamentary System
for Pakistan
The state of the s
Majority of the developed states
are ruling their states with the
Presidential form of government. The
Prime examples are America, Russia
and China. The parliamentary
system is most used in third
world countiles. Pakistan is currently
observing the parliamentary form
of government: The advantage of
parliamentary system is that legislation
can be done easily as the
parliament have the mandale of
people to pass it. Whereas In 9
presidential system, the executive is
often chosen independently from
the legislatur - Analysising the
