## Nizam Hassan: life and work

Nizam Hassan was born in Masshad. and completed his degree in anthropology. After completed his education, he worked in media. He produced his first documentary "The independence" This documentary shows the causality of israel. that how they attacked and captured ~~their~~ Country. When israel was planning to captures the remaining part of palestine. ~~At~~ that time, author, received an email ~~of~~ Nizam Hassan in which he asked about his latest documentary "My grandfather's path". This documentary showed the inspiration of palestine's to save their country. and also represented to kill those enemies who destroyed your country. it ~~is~~ a great work. and recommends to see it in one setting.
