check

Dan and Emily have been married for 10 years. They are living a very happy life. Yesterday night, they danced in a competition. Their family was also there. Nobody has seen their dance before. After every had danced judges announced the result.

They won the competition! So, <sup>for the celebration,</sup> ~~today~~ they <sup>have</sup> invited all of their friends for the dinner. And they told their family and friends that how hard they had practiced for ~~the~~ competition. Everyone was so happy.

They have been living in New York ~~for~~ the last 10 years. They got married in a very sad situation, Emily's father was very sick at that time. <sup>So</sup> ~~And~~ they had decided to get married and started their life in the presence of her father. After three days

of marriage, her father had died. Dane was always there for her in her bad situation. Then, they had moved to New York, and has started working there.

Emily has always wanted to be a dancer. Dane considered her dream as his own. They are living there dreams. (now) ~~they~~

Kindly please guide me  
Hāī

how can I improve my English.  
It's been 2 months, and  
I have submitted 15<sup>+</sup> paragraphs  
but still facing the same issue.
