Make a precis of the following text and suggest suitable title.

War can be avoid through strategies.

In the studying of civilization, the writer agree that main cause of the failure of civilization ^{been} difficult to analyze. War has an insidious way of appearing which not unbearable to get away from its grip until the understanding of obvious facts in the beginning ^{Evolution of} of civilization the war provide benefits in the form of wealth and power. War does not start to show its malicious behaviour until societies has begun ^{to increase} its industrial, and political ability to generate more power. When societies touch the pick of its resources and efficiency of its work and mobilize its energy to meet the military, then war become ~~causes~~ ^{concern} for its victim unless
