Assignment

Day: _____

War has been breaking out between Hamas and Israel since 8th October 2023. Israel has killed more than 34000 civilians at this time. International leaders are making an efforts to stop this genocide but Israel is not willing to stop it. Qatar and Egypt both are playing at front line. They are making an efforts sincerely to stop war but Israel is reluctant. International community should force Israel and not to supply weapons and ammunition to Israel so that this may be compelled. Now situation is this protest has started in the universities of U.S.A. Students have come to roads and pressurising their government to cease fire.

Police of U.S-A has started crackdown against students mostly students have been arrested. Now Biden's government is under severe pressure to cease fire. This protest can create many problems for Democratic Party which is being led under the leadership of Biden. This situation has paved the way for Republican in U.S-A Donald Trump is also popular personality in U.S-A he is so much active in politics. It seems Republican Party may avail of this situation. This protest is

According to UNICEF Pakistan has 19 million child brides 88 Percent child brides are pregnant before 18 years old 54 Percent child brides are living under Poverty line.

Commentary : Main reasons of this scenario are illiteracy, Poverty, Non implementation of rule of law, Social injustice and discrimination. In every Period of time governments tried to resolve it unfortunately this issue has increased.

Different governments allocated budgets for education so that women can be empowered through education. Poverty is another cause mostly Parents cannot spend money for their daughters due to Poverty that is why their Parents prefer

to their marriages. Another factor is non implementation of laws in Punjab age limit for boy is 18 years and age limit for girl is 16 years to get married unfortunately there is no enforcement of this law. If it is enforced properly then early child marriage can be stopped. Discrimination is another factor when girl borns her Parents and relatives are not happy Society does not accept her. when girl becomes young and start a job she faces discrimination and harassment that is why it can be said girl is a weak creation in world. Now situation is going to betterness hopefully this issue can be resolved in future.

Strategic significance of Pakistan and challenges and key way forward

Since its existence Pakistan has been facing a lot of challenges due to its strategic location. On the eastern side Pakistan has its rival country India. India always tried to damage and hurt the interests of Pakistan. India has many agreements with U.S.A that is why it has been a great ally of U.S.A. whereas on the western side there is Afghanistan which is facing a situation of war. After withdrawal of U.S.A forces from Afghanistan U.S.A is not paying attention towards Pakistan. On the northern side

Punjab government has put a ban on the use of plastic bag. Use of plastic bag is threatening world. Recently a report has mentioned 8 to 13 million tonnes garbage is creating by plastic bags. Pakistan is contributing 3.3 million tonnes annually. Another report reveals 100000 marine ~~creation~~ animals are dying annually due to plastic bags. Plastic bags are not useful these are just problems. These bags are causes of floods in big cities suppose when it rains water cannot flow easily due to plastic bags because these bags block pipelines. This is a good step of Punjab government towards neat and green Pakistan.

Climate change is threatening the existence of human beings and other living creations in this world. Unfortunately South Asia region is most affected in the world. Pakistan is 3rd affected country in South Asia. In 2022 flood Pakistan was badly affected.

33 million people were affected. Pakistan suffered a loss of sixteen billion dollars. Now situation is this climate change is threatening African and Middle eastern countries. Recently U.A.E was inundated and all activities were suspended. Flights operations were also cancelled. Motor vehicles were floating into flood. Now international communities should sit together and make a good strategy to solve it.

Why has Prime Minister issued a notice for appointment of Ishaq Dar as a Deputy Prime Minister.

There are different opinions amongst people. One set of people is claiming

Sharif family does not give important post outside of Sharif family that is why Nawaz Sharif has emphasised to appoint Ishaq Dar as a Deputy P.M.

Actually there are differences in Sharif family and Ishaq Dar is near relative of Nawaz Sharif. Nawaz Sharif wants to control the politics of Sharif family that is why name of Ishaq Dar has been shortlisted.

No law in the constitution allows to appoint Deputy P.M.

What are the reasons of Street crimes in Karachi and its solution.

Karachi has 20.3 million Population according to the census of 2023. Unfortunately Karachi has been affected by street crimes. Street criminals target innocent citizens and snatch motorbikes, cash, and cell phone.

Reasons of street crimes are no appropriate system of C.C.T.V cameras in backward cities of Karachi. Unemployment, inflation, poverty, easy access to small weapons, no enforcement of laws, no concept of punishments. These are main reasons of street crimes. Government should focus on the solution of street crimes. First of all Provincial government should create jobs

so that unemployment can be reduced. Government should control inflation and curb poverty. To eradicate street crimes government should facilitate police to use technology and Artificial intelligence and mobile applications. Government should increase the number of patrolling police. Actually there is 44000 Police Personnels in Karachi 13500 Police Personnels patrol in Karachi. Government should install C.C.T.V cameras in backward areas. Provincial government should stop the transportation of illicit arms in Karachi so that no one has access to weapons. Government should make strict laws and ensure punishments by courts. Then street crimes can be curbed.
