The Accession of Princely State Accession 1991-CSS

The young Maharajah of Jodhpur assented to be part of Pakistan. It is because he was afraid of Socialist party that it takes away his luxurious life. Therefore, he agreed to sign the blank sheet, which Jinnah handover to him. Before doing the signature the viceroy summoned the Maharajah and assured him that accession to Pakistan brings devastation to this state, and he further assured that accession to India does not end his pleasures of life.
