

AJK PROTESTS

On Monday trying to manage disruptive protest in region the Prime Minister of Pakistan accept all demands of AJK protester . The Prime Minister of Pakistan approved 23 Million grant for AJK citizens. In the AJK citizens close shops and all tourist's hotel because people face inflation and high taxes. Then AJK Action Committee and law enforcement agencies clashes with each. Furthermore, hundred citizens injured and one police man lost life. After that Action Committee spread protest in over all region. Additionally AJK government call to P.M for resolve citizens problem. However, The P.M tweet at X platform, he tweeted the over see AJK situation government try to solutions for citizens demands . In the country have the nonviolence huge protest it's the " beauties of democracy" , but whose people violet the state law and damaged government properties those faces strict action against. The P.M and President of Pakistan call all stakeholders to take responsibility and urgently resolve their demands. Furthermore AJK Action Committee release the press, when people see the official notification of grant bills then end the protest.

Rana said India has been compare the Azad Kashmir and Occupied Kashmir it's a joke. Additionaly who said some abroad people want's to violation in Kashmir those are state enemy.
