United Nations DAY: _____

United Nations established in 24th October 1945, after the world war II. The Primary Objective of United Nations is to promote peace and security internationally, among nations. There are six main organs of United States in which its works which are, "The Economic and Social Council (Ecosoc), The Trusteeship Council, Secretariat, The International Court of Justice, The General Assembly and Security Council."

With the help of these six organs United Nations can due sanctions, overseeing the Economic and social issues, discuss them and try to resolve them. There are 193 members of United Nations-

There are 54 members of Economic and social council and these members are being rotated after 3 years. The Economic and social council mainly works on, Coordination of UN Agencies, Economic Development, Social development, Humanitarian Affairs, Environmental sustainability, Trade and Development, Global health, Human Rights and (etc.)

Capacity building. It is one of the main organ of United Nations.

The Trusteeship Council is one of the principal organ of United Nations in which United Nations funded the Trust the until they deemed ready for self government. The Trusteeship Council plays ^{crucial role in} decolonization process by overseeing the trust territories itself government or Independence. The Trusteeship system has mentioned in Chapter XII of UN Charter, The Trusteeship Council played crucial role in the mid of 20th Century but now it is inactive.

Secretariat is led by the Secretary General of United Nations, ~~in~~ the tenure of Secretariat is only 5 five years and the Secretariat is appointed on the recommendations of Security Council. It oversees the day-to-day activities including Implementing decisions, Coordinating activities, and managing peace keeping operations.
