

PRELISE - 2020

MANITO: THE BOLD WRITER

Manto was considered as a vulgar writer because of his critical views on different scenarios like sex, and life of depressed classes of society, ~~and~~ like pimps and prostitutes. His detractors find him obscene and dragged Manto to court for his explicit writings. Not getting bothered by his opponents, Manto continues to explore the dark realities of life, that were not pleasing to some self-loving people. Manto reveals the mysteries of sex, but not in a traditional manner but rather in a palpable, fleshy permutation. According to Manto man is neither good or bad, ~~or~~ rather a mixture of both. As a realist Manto believes that human behaviour differently according to human hierarchy.

~~Men and Women~~

Like Joyce, Lawrence, and Caldwell
Men and women also find themselves
relatable in Manto's work as well.
& And like mentioned personalities
Manto always preferred his work
over himself.

COMPREHENSION - 2020

Q: 1: GLOBALIZATION

Ans: Globalization is a process of sharing economic, cultural and political bonds between different countries. Globalization means to form a single global society by internationalization of products and labours.

As Rosabeth said "The world is becoming a global shopping mall in which ideas and products are available everywhere at the same time."

Q:2 What is electronic Mass Communication?

Ans: Electronic mass communication means to interact with each other via internet with the help of different electronic devices like mobile, computers and laptops. With the advancement of technology, information technology has helped countries to communicate each other despite having long borders.

Q.3 : Third world denote ?

Ans: By means of "third world", those countries which are under developed and are way backward from advancement of world. Third world is struggling to manage economically and socially to lock horns with advance countries or first world countries. ~~Due~~ Due to all this, Third world countries are moving towards privatization.

Q: 4: What is Privatization?

Ans: Privatization means private ownership of anything. When the state or govt. is not able ~~to~~ to run the institutes properly they better move to privatization to improve economy. Privatization helps in gaining the lost dignity of institutes and helps the country with financial debts.
