Ephialtes: The Noble Villain

In some movies, such as the 300, the villain is actually right. The story starts with Ephialtes and his family fleeing Sparta as Ephialtes is to be killed for being a weak child, as per custom. He spends his life training, hoping to one day serve in the Spartan army. Later, he manages to get an audience with King Leonidas and begs to be allowed to ~~serve~~ fight. He proves his loyalty and his spear skills, but is ultimately rejected. Heartbroken after being denied the chance of a noble death ^{join} ^{مجنون} to the Persians. The Persians offer him wealth and power, but Ephialtes asks for a uniform too. In the end, he defects the Spartans, never really betraying them as they never accepted him and proves his noble ~~same~~ reasons.
