

2018 Translation

The Lahore ~~city~~ is an ancient city of not only politics but also culture. This city witnessed the climax of mughal culture. It was the center of sikh culture as well. This very city also witnessed the knowledge and literary traditions here. Mysticism was centered here. The author of the book, "Kashaf-Al-Majab" Harazat Ali Hajwazi alias Harazat Dada Ganj baksh ^{is also} enshrined here. Lahore had been the trend setter for India. This city did not lose its importance even after indep its creation.
