

Wheat Import scandal ~ a problem for PML-N

The PML-N government is in a problem with having a issue of wheat import scandal. Large and reckless wheat imports allowed by caretaker administration of Anwaar-ul-Haq Kakar has caused Shehbaz Sharif led govt. in a difficult situation. An investigation report says that wheat import has caused excessive 300 milli billion loss to national exchequer as this import was not done on right time. All this is causing great impacts on the current government led by Shehbaz Sharif.
