

"Paragraph Writing"World War IIIOpinion (Dawnnews)

Theme: Russia - Ukraine war

Ukraine remains the key global tinderbox.

Abridging the article by omitting rare words. Author talked about

Russia - Ukraine's war which ~~has~~ <sup>was launched</sup> ~~been launched~~ since two years ago

The author said that "It is the hypocrisy of Global South and West who just talk about ceasing the war but take no powerful decisions". He also highlighted the

inferno of Gaza and compared it to Russia-Ukraine war. Israel

is buturing poor people and Russia has transferred the

children. It seems they (US and Nato) are preparing for world

war II by deploying the military

the game of "who throw the first missile".

The reasons which fuel conflicts and tensions between the two countries are what happened in the past. In 1991, when soviet union was dissolved, the geographical disputes were not addressed.

Many figures like pope francis and xi-jinping suggested territorial concession to maintain a peaceful environment but ukraine would not allow to disrupt its sovereignty and integrity.
