Terrorism: A moral Phenomena

The importance we gave to terrorism is not proportional to its real importance. Terrorism

kill and maim fewer people

no sense of this sentence

but still did not affect

decision of voters of a

political party. However, Public

opinion takes terrorism earnest.

Importance of terrorism lies

not only in distorted and

upleasant anger but also

moral claim. It is example

of moral fault of willful

ignorance. Terrorist gave reason

for their frustration as

necessity but scientific hypothesis

transfer it into surrender of their

vision. There is no cause of

terrorism. It is a moral event

and only moral discussion can

prevent it.

main idea is picked and discussed but there is issue of coherence and clarity in the content
