Subject: Installation of gas in our colony Colony's name

Sir,

I am writing to you on behalf of  
administration of our residential colony.  
We request ~~are requesting~~ the installation of a Sui  
Gas network within colony to provide  
gas access to all residents. Currently,  
the residents of colony rely on less convenient  
fuel sources such as firewood, LPG cylinders  
for their cooking and heating processes/needs. (issue)

The introduction of Sui Gas would offer  
a cleaner, more efficient and cost effective  
fuel source. This would improve the  
overall quality for our community.

We understand that there may be specific  
requirements for Sui Gas installation in  
new Area.

We the residents are willing to cooperate fully with Sui Gas Company to ensure a smooth and efficient installation process. We are also prepared to collectively meet any associated costs for necessary infrastructure development.

→ We believe that the installation of Sui Gas network in our colony would be a valuable investment for your company. It would expand your customers and <sup>provide</sup> a valuable revenue.

→ We are also happy to provide any further information you may require <sup>gratuitous</sup>. Thank you for your time and consideration. We look forward to a positive outcome on this request.

Fully yours,  
N. Y. Z.
