For Grammar
check

Dan and Emily have been married for 10 years. They are living a very happy life. Yesterday night, they danced in a competition. Their family was also there. Nobody has seen their dance before. After they had danced judges announced the result.

They won the competition!

So, ^{for the celebration, have} today they invited all of their friends for the dinner. And they told their family and friends that how hard they had ^{practised} for the competition. Everyone was so happy.

They have been living in New York for the last 10 years. They got married in a very sad situation, Emily's father was very sick at that time. ^{So} they had decided to get married and started their life in the presence of her father. After three days
