Imam ghazali defines islam as, It is the combination of rights of Allah and rights of people.

2- Salient features of Islam:-

The salient features of islam are as follows.

1) Unique concept of tauheed:-

Islam is a monotheistic religion revealed to Prophet Muhammad (P.B.U.H). Islam teaches us that there is only one divine being, one supreme creator of the universe. Tauheed is the first part of Kalma (shahada). It is the core pillar of islam because faiths, rituals, worship and all systems of life revolve around tauheed. Allah said in the holy Qur'an that "Say, He is Allah, who is one Allah, the eternal refuge. He neither begets nor is born, nor is there to him any equivalent (surah ikhlas)

The prophet of Islam (P.B.U.H) said,
"Islam is like a foot and
the gate of that foot is
tauheed"

Allama shibli nomani in his book (sirah tanabi) says that tauheed is the first chapter of islamic syllabus.

ii) Finality of Prophethood:

In Islam, it is necessary for the believers to bear witness that Muhammad is the last Prophet of Allah (SWT). A muslim believes ~~that Allah has sent His~~ in all the Prophets from Adam to Muhammad (P.B.U.H) and makes no distinction one and the other. He also believes that Allah has sent His prophets to all corners of the earth to preach the same religion, that His message stopped coming after the last revelations received by the last Prophet Muhammad (P.B.U.H), and that the message received by the last Prophet is the most comprehensive

and the final form of Allah's message to human beings. The Qur'an says that,

”وما ينطق عن الهوى
ان هو الا وحى يوحى“

“Nor does he speak of his own whims. It is only a revelation sent down ~~to~~ to him”

(Surah An Najam: 3-4)

The Prophet's way of life is ~~the~~^a practical of the holy Qur'an. It is a straight path for the human beings to follow, so that they can be rewarded by heavens in the life hereafter.

The Prophet (P.B.U.H) once said:

”Verily, I have been sent as a teacher of mankind“

iii) Islam is a complete code of life. Islam is a religion that guides in every aspect of life.

a) Individual life:-

Islam guides us about

1) Birth of a children.

- 2) Upbringing of a child.
- 3) Character building.
- 4) Education.

The prophet (P.B.U.H) once said,
 "Seeking knowledge is obligatory for every muslim"

- 5) Livelihood
- 6) Family life
- b) Collective life:-

Islam teaches us about,

- 1) Social system
- 2) Political system
- 3) Financial system
- 4) System of justice
- 5) Global affairs.

which makes islam not only a religion but a complete code of life.

iv) Islam promotes humanity:-

In islam, a man must have some natural instincts without any discrimination. He must love and care other people and have sympathy and empathy for

others. Islam is a religion that says all men are equal, whatever be their colour, language, race or nationality. It is ~~the~~ a religion that addressed itself to the conscience of humanity and banishes all false barriers of race, status and wealth.

Qur'an says

"All creatures of God form the family of God and he is best loved by God who loves best his creatures"

"Respect God and be affectionate to the family of God"

v) A universal religion:-

The message of Islam is for the entire human race, God in Islam, is the God of all world and Prophet is the messenger for the whole mankind.

Qur'an says

"O people! I am the messenger of God to you all"

v) A simple religion:-

Islam is a religion without any mythology. Its teachings are simple and intelligible. It is free from superstitions and irrational beliefs. There is no priesthood, no fast-fetched abstractions, no complicated rites and rituals. Everybody can approach the book of God directly and translate its dictates into practice.

Jean L'henxena says:

"Islam has the power of peacefully conquering soul by the simplicity of its theology, the clearness of its dogma and principles and the definite number of practices with it demands".

Conclusion:-

Islam is a comprehensive way of life. The above mentioned features establish its credentials as the religion of man - the religion of today and the religion of tomorrow. These aspects have applied to hundreds of thousands of
