

Q1: Paragraph Writing

Every Cloud Has Silver Lining

Every cloud has a silver lining is a metaphor of optimism. It draws attention to the hopefulness and happiness ~~come with~~ positivity and belief. ^{it results into} This term is forming the minds of human ~~to~~ the hardwork and keeping ourselves to follow the right path.
write in one paragraph please

If silver lining of sun rays passed through the cloud it seems beautiful and there is a sense of peace and pleasing. So it teaches a lesson about the ^{unity of ideas is also a characteristic} ~~positiveness~~ in every aspect of life even if there ~~comes~~ any kind of difficulty.
comes, does not convey any message

In this way, stay calm and sharply work to achieve the goal rather than to keep dwelling ourselves into hopelessness. This is something of high importance to keep the nations grow as developed societies around the world with good moral values and ^{become} respected ones.
~~It is important to bring change in the systems~~

and it has power to bring revolution among the societies and also in the countries.

Q2: Precise of The Following Passage

DH Lawrence and Dictatorship

dictatorship

Title:-

~~Fascism and Democracy.~~

Precis:-

never

never write first person, my me we our us

~~I~~ believed in democracy strongly and developed generated the complete philosophy about fascism.

~~He~~ writing down about the dictatorship in the form of democracy. In real, democracy is

the system that runs accurately when the right persons holding the electorate with fairness

without their own interests. But the truth is

totally opposite, the rights are given to the people in democracy but it is rather a fascist govern-

ment. This fascist dictatorship is established like

Julius Caesar in their state it is a democracy with

electe President. I simply came to understand

about this fascist democracy is just like thinking

and forming the disciplines as empty as sitting

in the desert of New Mexico and governing a state.
