Question #7

Translate the following into English by keeping in view figurative/idiomatic expression

پاکستان، افغانستان ---
 --- سب سے گئے

Peace in Afghanistan is vital for Pakistan, as it holds high importance to it. With reference to past events, despite being neighbours and Islamic countries, they are interconnected through history, culture, and common language. Regardless of disturbed relations between both, they can not survive without each other. From very beginning, Pakistan's stance is to politically negotiate with Afghanistan to solve underlying issues. China also supports this and states that Afghan conflict can be undermined through peace negotiation to foster peace. Pakistan and China strategically team to solve Afghan conflict, and China will mediate negotiations between both.
