

Question

intelligence led policing has become an effective model of policing in tackling organized crime. Discuss the background and key principle of intelligence led policing?

Ans introduction

IPL is a intelligence led policing which is proactive form that are risk based which is used various instrument to measure the risk and causing of crime and enforce law on the basis of analysis objectives.

2-Defination of IPL

intelligence led police is a philosophy that emphasize the interaction between the

police and public and reduce crime through society with effective frame work and making police.

(According to security cooperation of UK)

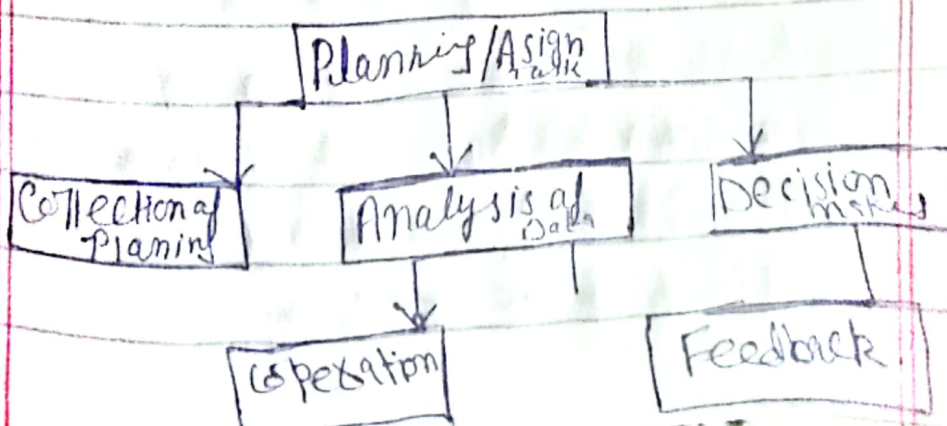

1st Police lead is a philosophy that lead the policy maker to reduced the laws of violence reduced fear from society.

(Professor Perry H write in his book Police leading intelligence)

2-Steps that are involved in Policing leading.

These are different principles that are beneficial for policing making.

2.1 Principles of IPL

2.1 Analysis/Planning and Assignment of task to get proper result.

First step is to make planning and give the task to the society/team. For Example a crime increase. Certain areas to get appropriate information. makes the planning and assign task to the team. "The increase of crime are theft of vehicles".

2.2. Collection of Data to make better Decision

The Society will help to collect appropriate data. For instance information constituted that theft of vehicles are stealing outside the area of shopping mall of city.

2.3 Decision making are helping to enforce law. For crime Reduction.

After the collection of data, the decision is made to enhance the surveillance around the shopping mall. The officials are deputed in disguise to the area of mall and all around it.

2.4 Coordination between Police and public are required to enforce law.

Coordination between the police and public are important to reduce the crime rate in society. Information of thefts are collected from various sources to enforce law in community.

25. Feedback to check the effectiveness of law

It is the ascertain to check that intended result are achieved or not. For example in planning it is decided that thefts are absent during stealing the vehicles.

3- Types of Policing leading

There are certain type that involved in policing lead. That are

3.1 Community leading

Community is a philosophy that are involved the local community in measuring crime and reduce the fear from society. which is helpful for making effective society.

The Robert Peel Father of modern policing are says in his **Book**.

it is necessary to reduce the crime from society and ^{will} makes the history to build a relationship between police and public like police are like public or public like a police officers. it is also important to denied the traditional practices it is involved in article 73 in KPK. Dispute resolving reform of 2013.

(5) Models of Community Policing.

The article 68 approved in 2000. According to this, the involvement of citizen in society is necessary. it forms two

models.

(5.1) Community Police Decision Policy.

(5.2) Public Safety/Police Complaint Policy.

5.1 Community Police Decision Policy.

It is formed under the article 88 in 2002 to involve the community in decision making. It involves certain steps.

Steps involved

- (1) Training to enhance the cooperation of society.
- (2) involvement of local helpful to tackle the crimes in area.

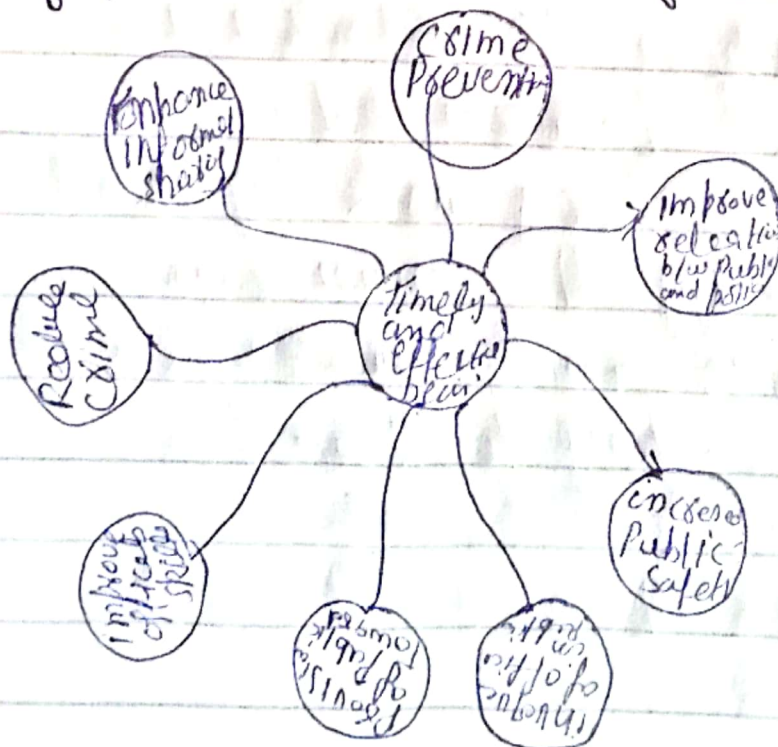

5.2 Complaint of Police

This the institution

that are glossed to address the grievances of citizen toward the citizen. But unfortunately it is once build on the era of general Pervair mishraf. Now it is just present in book as a Statute of government.

(6) Benefits of Policing Led

There are certain benefits of political led intelligence.

6.1 Improving the relationship between police and Public.

The cooperation between police and public is important. It increases understanding and also reduces the tension between police and public. It also reduces the crime from society.

6.2. Increase the Public Safety.

When the relationship is built between public and police. They work together to identify the main cause of crime and law enforcement according to them.

6.3 Crime prevention and problem-solving in society.

The crime prevention are
easy through mutual cooperation
when both members are
work to gether. to reduce
the fear from society and
it improve the condition of
society to observes the
causes that leads the crime-

6.4 Enhance the information sharing which helps to generate law.

When relations are
good. the mutual sharing of
information take place which
helps alot police official to
takes step according to
them to inform law.

6.5 Timely and Effectively taking action

The citizen of a state
are well-aware about the

problem of their society. it is more prioritize to handle these issue effectively.

6.6 Reduce the crime from society.

Make Efficient program to assess the leading cause of crime, make the list of crime that effects the certain area suddenly. it is helpful reduced crime it also less the fear from public

6.7 improvement of the official skills.

when the collective work are performed it enhanced the officials skill. which is better than traditional working skill

6.8. The police official also

show involvement with public interventions.

The police officials show the involvement in public community event. which makes their collaboration more strong. it build trust between public and police.

6.9. Change the provision of public toward police

All the efforts reduced the tension between police and community. which build strong relation between them.

7. Recommendation and measurement of IPL

For Government

(1) Government should allocate

the budget and makes it obligatory to form these institutions.

2) **Asghar Mehoob AIG**

Said that police is a political tool in society to reduce the involvement of political leaders in police. The political leaders select and bureaucrats managed them.

3) **Envolvement of Educated peoples** to help the police manage crime and they help them for long time.

NGO's work

•) NGO used the print and electronic media

•) Civil servant role is more important for the effective work like the institution.

Critical analysis

The work of police is not effective in society. The public and police have no coordination. People have no trust on police. There is stress which makes a huge gap between. These types of institution help to reduce these gap.

Conclusion

IPL is a institution of US and European countries which is effectively work in society with the help of community. Local people gives the important information official which is beneficial for law making and make Peace.
