The author advocates peace since due to nuclearization. A nuclear war can be more disastrous than Allied forces, and its impacts would be transferred globally, to generations. It costs billions to maintain whereas does not ensure peace. Intellectuals advocate peace over war, and no one listens. Some argue that denuclearization is futile until rationality of violent nations.

The author hopes, they will. Individual behaviours are important and should be inspected for peace. Many consider it illusion, but this misconception emphasizes that war is unavoidable and man-made weapons are uncontrollable. Although, it is a fallacy. we can attain peace and set a way for others.

Title:-

The rational pursuit of peace.
