

# Topic Is Democracy the best system for Pakistan?

## Outline:

### ① Introduction:

Thesis statement:

"While democracy in Pakistan faces significant challenges such as corruption, weak political institutions, and <sup>military</sup> interference, it remains the most viable system of governance, offering long term benefits of political empowerment, human rights protection and inclusive development, which are crucial for nation's stability and progress." **Good**

### 2 ~~Is democracy the best system for Pakistan?~~ Strengths of Democracy in Pakistan:

②a Empowerment of citizens and Political participation → (The role of democracy in Pakistan's future, Dawn 2024).

Since this is the main part, it should

contain more arguments
