

Rights and Duties are two
faces of same coin

① Introduction

② Right of one is the duty of the other

③ The Rights of state are the duty of ~~other~~
its citizens:

3a) State imposes law that must be
followed by its citizens

3b) Citizens must observe allegiance to
their state

3c) They (Citizens) should not take part
in espionage and rebellious activities

3d) Citizens are required to actively
participate in state's legal activities
(e.g. voting)

3e) Cyclical accountability of a state
must be observed by its citizens

④ The Rights of a state are also the
responsibility of another state

- 4a) Refraining from interventions in the country's sovereignty
- 4b) Discouraging of support and funding the non-state actors against any other state
- 4c) Granting diplomatic immunities to the country's officials.
- 5) The Rights of citizens are the responsibility of State
- 5a) state should grant autonomy to its citizens
- 5b) The provision of fundamental rights is upon state - ~~food, clothing, shelter~~ education, healthcare
- 5c) state should provide security to its masses
- 5d) Availability of equal access to opportunities without any discriminations
- 5e) The provision of free-trial right and uphold of constitutional supremacy are the responsibility of a state
