Nizar Hassan's works for Palestine .

Nizar Hassan, a famous Palestinian filmmaker, produced two great documentaries on Israeli occupation of Palestine. The documentary titled "Independence" was about ridiculous Israeli concept of independence. It is in fact the occupation of Palestinian's homeland. In the second documentary titled "My Grandfather's Path", Hassan advises Palestinians not to become dehumanized like their Zionist enemies. He urges them not to let go their ideals and aspirations. The author praised the
