

Surge in Terrorism

Terrorism has always been remained a major threat to Pakistan's prosperity. Several times in in 77 years, Pakistan has faced many waves of terrorism, in which many citizens and army personnel were martyred. Since last few week months, terrorism is again on increasing end leading to disturbing our country in many ways. In last few months, several attacks have been made by terrorists, attacking citizens, chinese and army personnel. A blast near Karachi Airport in which three people were killed including two chinese nationals, shows the brutal behaviour of terrorists. Similarly, in an attack by terrorists, several security personnel were killed in KP and Balochistan. In an attack by these terrorists, three security men lost their lives in Kalat. All these incidents show the surge in terrorism since last few months. As terrorism is increasing day by day, it needs to be controlled in order ~~that~~^{to} that Pakistan could prosper in a better way.
