Climate Change in Pakistan: Causes & Consequences

Brain Storm: Rising Temperature, extreme weather events such as storms and droughts

Impacts:

Causes:

Economic loss -
Watershed weather

Greenhouse gases
Industrialization
Urbanization
Deforestation
Pollution

Introduction

Climate Change
in Pakistan

Remedies

Health issues
Biodiversity loss

Consequences

migratory effects

CLIMATE CHANGE IN PAKISTAN: CAUSES AND CONSEQUENCES

OUTLINE

1. Introduction

1.1 Hook

1.2 General statement

1.3 Thesis statement

2. Causes of climate change in Pakistan

2.1. Rising Temperature

2.1.1 melting ice and rising sea level.

2.2 Extreme weather events

2.2.1 flood

2.2.2 storms

2.2.3 Droughts

2.2.4 Deforestation

2.3 Water Pollution

2.3.1 Acid Rain, acid and chemical dump

2.3.2 Deep sea operations.

3. ~~water~~ Air Pollution

3.1 Greenhouse gases

3.2 industrialization

4. Land Degradation:

- 4.1 mining
- 4.2 pesticides and fertilizers.
- 4.3 Solar System.
- 4.4 Decline in green belts.
- 4.5 Decline in plants productivity.

5. Impacts of climate change in Pakistan

- 5.1 Economic loss.
- 5.2 harsh weather
- 5.3 Ozone depletion
- 5.4 migration, Distribution of ecosystems
- 5.5 Bio diversity loss, Cyclones and
- 5.6 earthquakes.
- 5.7 over utilization and exploitation of
- 5.8 natural resources.

6. Impacts On human health.

- 6.1 increase in viral, fungal and
- 6.2 bacterial disease
- 6.3 weak immune system.

7. Consequences of climate change in Pakistan

- 7.1 Reforestation
- 7.2 Transitioning to energy sources.
 - 7.2.1 solar wind, biofuels
- 7.3 Timely cleaning of storm drains
- 7.4 Construction of Dams.
- 7.5 increase in plantation

Climate Change in Pakistan: Causes & Consequences

Introduction:

Pakistan is the amongst a score of countries which are disproportionately vulnerable to the consequences of climate change.

To ignore the reality of climate change is to be unjust and it disregards future generations.

Thesis Statement:

One cannot be prepared for something, while secretly believing it will not happen. (Nelson Mandela).
