## Question 01

Doctrine of power denies space to counselling because the U.S prioritizes unilateral military action to secure its interests, sidelining allied advice.

## Question 02

Moral equivalence suggests that U.S security takes precedence, justifying military action without moral comparison to smaller nations.

## Question 03

Countries occupied by a hyperpower lack peace due to instability, return of warlords and failure to establish lasting security or governance.

## Question 04

Europe and U.S. differ on war or Europe favors diplomacy, while the U.S prioritizes military action to secure its interests.

## Question 05

Tony Blair's wise counsel meant

offering advice to the U.S. but it  
did not prevail on the U.S.  
acted unilaterally.
