PRECIS 2021.

Nizar Hassan worked in TV and shifted to cinema. In his masterpiece 'Independence', he criticized Israeli claim of settlement on their homeland. The author received an email from the Palestinian filmmaker with a link to the directors cut of his new film. The film revolved on the concept of enemies influence on ideas of a person. The author appreciates his piece of art acknowledging its length and pace. A shorter version also exists. He suggests viewers to watch the film in a single seating.

(85 words)

- Palestinian Documentary Filmmaker.

Date: 16/10/24.

PRECIS 2019

The author criticizes the notion of educational theorists of mentioning flaws of interfering with children but ignoring the plus points of enjoying their company. The presence of children must be cherished.

Teachers who possess such traits would have an edge over others. Over-burdened instructors are unable to formulate such a tender bond. Unruly youth can irritate an already tired person. Disobedient children can be tactfully handled and affectionately treated rather than based on fix rules.

(75 words)

- Dealing with children.
- Role of Teachers in Up-bringing
