Gender Equality  
is a Myth

↓  
sentence  
structure

Gender Equality is a myth because women can't get their rights. Women are not treated like men. Mostly women do not get what they deserve in Pakistani society. Women face many problems in <sup>their</sup> daily life such as harassment, equal wages compared to men. Even women don't have a right to choose their careers. They face various challenges when they step out of the houses. In every society women have a role to play as nation builders. Every society is incomplete without women. In Pakistan if women issues are ~~not~~ addressed Pakistan will become a developed nation. The strong role of women in society ~~can~~ <sup>will</sup> ensure a bright future for Pakistan. Previous government tried

to upgrade the status of women  
in Pakistan ~~for~~ but failed.

if government fails to safeguard  
women's rights Pakistan will  
not be able to improve its  
image at the international level.
