

A Trip to Cherokee: A Land of Beauty

The author had difficulty choosing a holiday destination as he wanted to visit somewhere exotic. Luckily, his friend suggested visiting Cherokee. The author agreed and they flew. There, they visited a town called Qualla Boundary which had magnificent scenic views, and the village depicted the 18th century lifestyle. Despite facing the language barrier, they managed to find a local shop where they met John. Who speaks English fluently, and in a conversation, he told them that the Cherokee do not rely solely on trade, but they also host Bing nights offering low tourism. which earns them considerable profit. Lastly, the author visited a museum filled with beautiful Cherokee art and artifacts. The place was alluring and urged him to visit another exotic place soon.
