ACADEMIC PARAGRAPH STRUCTURE

(Sub-heading: Globalization has become the key source for increasing tourism)

Topic Sentence	In today's world, globalization has become the key source for increasing tourism.
Explanatory or Reasoning sentence	The new inventions made in transportation enabled global mobility, like modern aircraft, cruise ships, trains, and other modes of transport allowing people to move quickly and relatively cheaply.
Supporting Point (1)	Ease of travel has also helped to overcome the barriers of fear, frustration, and expense: an international banking system allows access to money almost anywhere in the world.
Example (1)	For example, according to UNWTO, tourism contributes over 10% to ^{the} global GDP, and the tourist's numbers grew from 1.442 billion {2018}, with a forecast forecast of 1.8 billion by 2030.
SP 2 (optional)	
Ex 2 (to be written if SP2 is given)	
Concluding Sentence	In conclusion, increasing tourism through globalization provides an economic advantage.
