

Translation paragraph

Every era brings many such matters which nobody likes but have to accept. Sometimes, nature keeps such matters in front of us to ^{just} test us. However, these are of no use & even we do not have concern with them but still have to spend life with them. Today it is happening too. Every century brings such ^{new} changes, which are new to the old one. The knowledge of nature has given such development which are waste in case of economically.

If Nature gives us fruits, then bound us to dispose its peels properly. Otherwise it will pollute the nature.

Para # 03

The educational system of every nation in world is similar as the nature of people, which participate to achieve national objectives and nations are motivated to achieve those goals. So the educational system is set which helps to grow mental capabilities and build character. This educational system develop humans in a way that can change

fate of nation.

Paragraph #04

Pakistan wants peace in Afghanistan because peace in Afghanistan is important for Pakistan. If from historical perspective Pakistan and Afghanistan are connected in historical, traditional and linguistic relations along with Islamic brother neighbors. These relations are unbreakable, both are depending on each other and cannot separate. Pakistan claimed political solution of Afghan issue since first day China supported this stance. In this matter, China said solution of Afghan rebel problem will be solved through head of Afghans. Pakistan and Afghanistan, China will play a strategic role in solving Afghan relations.

Paragraph #07.

Common people believe that law of state and freedom of a person are concern of each other. Apparently, it is not wrong. Every law implies some restrictions on citizens. If ^{number} of laws are more then will be more restrictions.

with many restrictions, freedom of person has been suppressed. On the other hand, with less laws, citizens have more freedom.
