When Palestine's self-created conflict was presented in the United Nations for resolution, the worldly organisation recognised the right of the Palestinian people to self-determination and also proposed a formula for resolving the conflict - Two State Solution was proposed, but it ~~has not~~ been implemented ~~is~~ ~~for~~ ~~since~~ the last seven decades. On the contrary, at the behest of the United States, Israel's army is continuing playing havoc with the blood of innocent and poor Palestinians to this very day, and Gaza has been completely obliterated for the last two and a half months. With the help of America, Israel has mercilessly martyred more than 20,000 Palestinians, including women and children, and have left no shells for the survivors, who are also dying because of shortage and medicine.

Title: The role of Green Spaces in a Society.

Amidst bustling cities, green spaces play a crucial role in providing relaxation. Additionally, it also provides home to the animals and is center ground for the local communities' social gatherings. This afforestation also contributes to the well-being of the environment and the society. However, due to rapid increase in urbanisation, it is crucial to maintain balance between preservation of the trees and urbanisation as sustainable urban planning is essential to integrate green spaces into urban development.
