	(2)	
	governments. Moreover, in contain demaraces	
	Judiciary is not independent and	
	is being politicized by the politicians	
	to settle their political scores with	
	opponents. Furthernore, military intervention	
	In politics and domocrati institutions	
	reflecting 5 week separation of power,	
	which is the basic foundation of a	
	democracy. In addition to this, declining	
	political sights and civil liberations of	
	citizens in various democratic states	
	depict a prim picture of domocracy.	
	In majority of democratic countries,	
	masses are illiterate and makase	
	of their political rights which is considered	
	one of the most important causes	
	of demaracies dysquenction in the world	
17	Likewise, autocoates are working relentlesly	
	to undernine democratic institutions and	
	principles, and justies their own practices	
	which is why democraces are not	
	performing well currently. Prouding aducation	
	to its citizens can help revive domacry	. · .
	and make it work well similarly	
	strengthening democratic institutions and	
	system of cheeks and balance can also	
T.S	help in this regard. Democracies in the	
	contemporary world are not performing well	
	due to certain reasons. There is a dire need	
	나는 가는데 하는데 가는데 얼마를 보면 하는데	
	of some prompt measures that should be	
	taken to make domocsacies plourish.	
	Democracy is a system of

Day	Date:	
	seffecting that democracies one not	
	functioning proposly. Accountability is the	2
	essance of demoracy which those in	
	power responsible for their actions. Llowerer,	
	accountability is weak in today's	
	demoleacies allowing those in Daves	
	to do what they want to. This	
	leads to comption which in turn	
	causes socio-e conomic inequalities.	
	In many democracies, where is four transparen	<u>a</u>
	high levels of corruption, limited press breadon	2
	balance weakened institutional checks and	
	balances, which all repserent weak	
	is misuse of public gunds and ineffectue)
	spiervance in many democrati government	
	For instance, a massive comption investigation	
	in Brasil uncoursed bribes exceeding to billion	
	linked to state controlled oil company, Petrophase	
	Numerous politicians and executive were	
	implicated, domonstrating deepseated comerstion	
	and a lack of accountability. Similarly, in	- ~
	2016, the Panama Papare implicated high-ranking	\
	Paristani officials, exposing issues of tax evasion,	
	offshores holding and I lack of anountability in political elite. Thus, democracies use not performing	
	well as indicated by the lack of accountability	•
	in democrati government.	
	miterate masses are one of the main	
	reasons due to which democracies are	
	not performing well. Education of the	
	masses is an important pre-requisite	
	The contract of the contract o

for democracy to fourish because democracy is by the people It is the masses who decide puture of the country. However citizens in majority of democratic states are uneducated and unaware of their sights. They cannot take informed decisions cannot hold responsible their leaders for underwociation actions. This leads to no leas of public Political leaders do whatever they want for self-interest. Miteracy leads to decreased Lemocracy to perform seport by World Bank shows that 25 pc of domoceatic countries hase literacy below sope. One of the biggest democrati countries, India has literacy sate 74 pc. Thus, illieracy and unawaseness are responsible for the poor Performance of democracies Similarly, autocrates are working relontlesly to undernine democratic institution and principles, while the major democratic nousers like the U.S. show unusillingness to support and promote democracy. In order practices own ideologies, the works leading autocracie Ching and Rusia are supporting those countries which are copying
