Title: Manto and his work

Manto being ambivalent was regarded by his opponent as obscene and criticized the moral basis of his writing in the court. Despite the criticism, he remained firm in disclosing the harsh image of life. In Freud's words, he revealed the secrets of sex in specific pattern which showed his anxiousness for the weak and gloomy sector of society. Man, according to Manto, possesses both good and bad qualities. ~~It's the middle qualities that make a man human.~~ Manto clearly demonstrated the important social and moral problems to his readers. Being a realist, he was aware of the different behavior of human and give an unbiased view about man's ill doings. In Manto's work, there is an accurate reflection of men and women anxiousness.
