The Essay

mentions
the most prominent books "The Future of Soft Power"
Joseph Nye ascribed in one of
the most prominent books "The Future of Soft Power"
mentions nations without the policy of soft power are
unsuccessful. Joseph indicated that China has been
influencing sandy region in middle East and
geo-strategic hubs of South Asia. According to
Joseph Nye, the success of China's influence in
middle East is due to the policy of soft power.
Truly, soft power ideology of the nation states
can end the long standing wars, influence countries
and de-escalate hostilities. Moreover, soft power
policy which values diplomacy can establish peace
worldwide. It is the ~~only~~ cure of economic crisis.
Nations using soft power can normalise ties
with foes. Soft power is the ~~only~~ successful
tool to exist. The concept of soft power
is based on contribution and
co-operation among nation states. The ideology
of soft power fully rejects hard and
smart powers. Therefore, soft power is a
weapon to resolve catastrophes in
the world.
