Day 17/10/24 Translation Date: Thursday Sir Syed Ahmed Khan was not only a reference but also proved to the savior of the Mustams. The Breleh wanted to smatch the power. of the Muslims. So, naturally, they are great opponents of the Muslims and spare no effort to evadicate them. In a strategic way they started to weak the roots of Islam and they properly started a compaign to preach christianity. There means was to dimensite Islami culture. Sir Syed concluded by effective learning of changing cricumstances that if Muslims are continued to this way and they not change their. selve with time and ultimately, they would drive into dwelling phase. so, he started Augarh movement for basic needs

Day:\_ Date: to protect riguts of Muslims away and to keep them from further ignorance. The Solution was to admit only of Bun and the power make cooperation rather than enimity with the British. The Muslims revals Hindus who spent decades under the Muslims rule wanted independence. They wanted to secure their goin by of the British. making fovor They succeeded in gelling of fours they every type heartly wanted to take place of the Muslims by pushing them back in every aspect of life. Sir Syed tried every possible effort to wake up the Muslims pr such circunstances. In a very effective way, he
