

what is current scenario of Muslims around the globe? Start with the summary of the answer as introduction

CURRENT SCENARIO OF MUSLIMS AROUND GLOBE.

The news of Israel attacks on Hamas and West Bank, their continuous attack, makes everyone to think about their rights. Not only in Israel/Palestine, the Muslims all over the globe suffers many challenges. The Muslims of Myanmar, the Indian occupied Kashmir, in many countries of Africa, and in Western countries. Muslims forget their true identity, and makes them fit themselves to fit in Western culture. Current scenario of Muslims around the globe is worst, they suffer from - poverty, discrimination, humanitarian crises, genocide, extremism.

1 - Middle East:

The two main crises are in Middle East are Syrian Civil War, Israel/Palestine conflict. These crises drastically change the life of millions of people.

Due to continuous war there is no regional stability, global attention and involvement, social and economic impacts and mentally disturb. due to continuous to

a. Syria Civil War.

(i) origin: The Syria war start in 2011 and until almost 13-14 year continuous war. The root cause of Syria civil war is the protests of Arab Spring against the government of the president Bashar al-Assad - for political reforms and greater freedom.

(ii) Humanitarian Impacts.

The catastrophic impacts of war results in humanitarian crises. Over 500,000 people died while millions of have been displaced, both internally and as refugees in other countries. The people that remain in Syria compromise on basic access on basic health facilities, food, water, and education.

Leave a line space between headings for neatness

(iii) Complex Dynamics:

There are many groups that are have involved in the civil war, extremist organizations like ISIS; rebel groups and Assad government. In the Syria civil war is due to the proxies because the Russia and the Iran support Assad while the United Nations and some other western nations help rebel groups (ISIS group).

Add and highlight references/examples against these arguments

(iv) Ongoing Challenges:

Although the conflict is resolved in some areas like Damascus that was under government control. Political system need to be get better in terms of reconstruction, reconciliation, and address the needs of million of displaced individuals.

Israel Palestine:

(i) Historical Background:

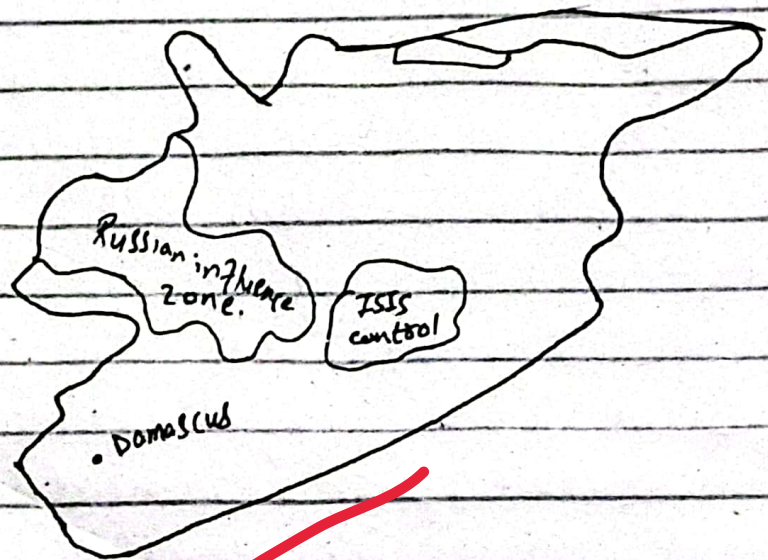

The Israel-Palestine Conflict root cause is the emergence of Zionism nationalism (Zionism) along with Arab nationalism. Tensions increased in Palestine after and during WWII. The Jews claim Palestine as their land because of birth place of most of the Jews & prophets.

(ii) Establishment of Territorial Disputes:

On the basis of the territory of Israel and Palestine, Arabs and Jews fought with each other. The 1967 Six day war resulted in Israel occupying the west bank, Gaza strip and East Jerusalem. In this war the Israel also annex the area of Golan heights of Jordan and Sinai peninsula of Egypt.

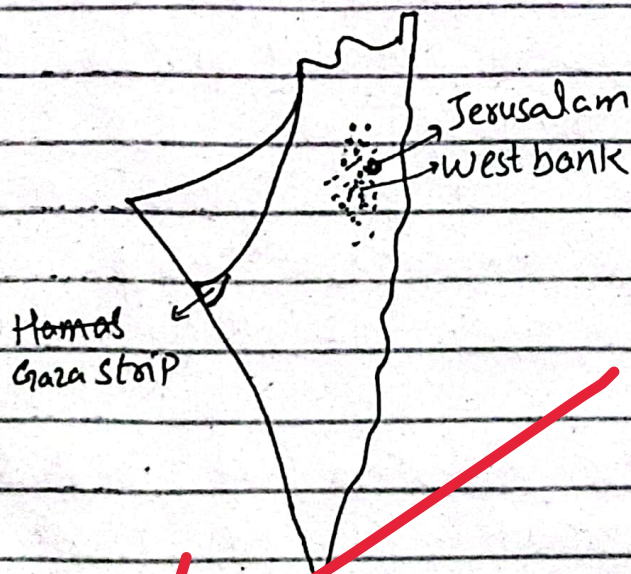

(iii) Current Situation:

As per Nakba II, in 2024 Israel also start Nakba II. In Nakba II Israel ^{partially} annex area of west bank but according to international law its illegal. Gaza is controlled by Hamas, a militant group that is in conflict with Israel. Periodic escalation of violence ~~increase~~ occur, often result in casualties on both sides.

Map show status of civil war in Syria.

- Army Control Zone / Government controlled zone is Russian influence zone because Russia influence Al-Assad.
- ISIS Control are rebel militant. a
- As discussed previously Damascus is a area in which there is conflict is resolved.

Map show the status of Muslim in Palestine.

- In Gaza strip and in some west bank of Palestine.

2. South Asia

Muslim conditions in South Asia vary according across the region, which include countries like India, Pakistan, Bangladesh, Nepal, and Sri Lanka.

(i) Socio-economic Status:

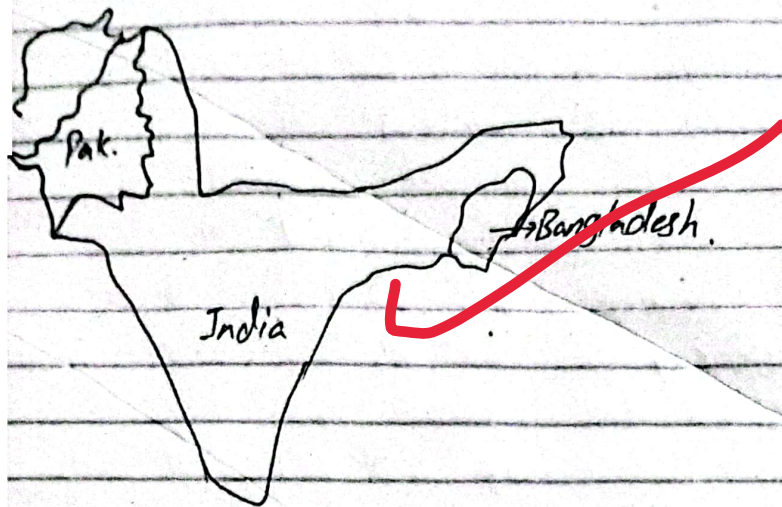

Muslims of South Asia face socio-economic challenges. In India muslim suffered by genocide and harassment, then Indian occupied Kashmir the government allow for genocide against rebel. According to data, muslims in India have less access to education as compared to other group. In Pakistan and India there is poverty and increase rate of unemployed, and there is no basic health facilities provide to them.

(ii) Political Representation:

Political Representation of muslims vary by country their country with in region. In Pakistan and in Bangladesh majority of muslims have political significance but in India: muslim have marginalized political landscape, especially in recent years with the rise of Hindu Nationalism.

(iii) Current Situation:

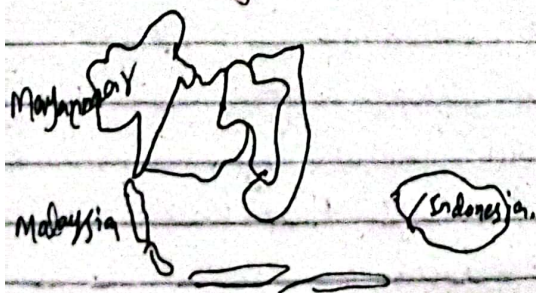

The current situation of muslims in South Asia is marked by the challenges and opportunities. The muslim face challenges in education, economy and political representation. The Pakistan and Bangladesh are muslim countries, both governmental and non-governmental organizations play their roles to resolve their issues.

Map of South Asia show Pakistan, India and Bangladesh.

3- Muslim South East Asia

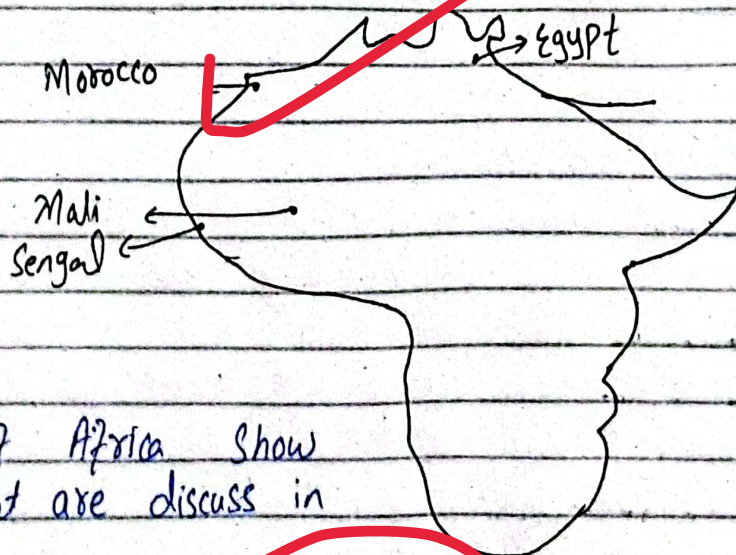

The Muslims Condition in South East Asia also varies according to their region. In country like Indonesia, that is largest Muslim population in world, muslims experience social integration and political representation. However, in Indonesia there is religious intolerance towards minority. In Malaysia, the muslims are in majority but still there is ^{tension between} ethnic ~~tension~~ and religious communities. In Myanmar, the Rohingya Muslims face severe ~~for~~ discrimination. Overall the Muslims in South Asia live & enjoy stability and growth but they are few challenges.

Map Show area of South East Area discussed previously.

4. Africa.

The condition of Muslims are in South Asia is due to their geography, culture and politics. In North Africa the countries like Egypt, and Morocco have significant muslim populations but they experience social and political integration, economic challenges and political instability. In Sub-Saharan Africa, the muslims like Senegal and Mali, the muslims are stable but they face challenges in face of violence, terrorism and sectarian conflicts.

Map of Africa show area that are discuss in topic.

5. Western Countries:

The current scenario of Muslims in Western countries are characterized by integration and challenges. many muslims live enjoy social and economic opportunities while other faces issues of Islamophobia, discrimination and marginalization. In countries like the United States and in western Europe, there is rise in anti muslim sentiment, often fueled by political rhetoric and media portrayals that lead towards crime and social exclusion.

Critical analysis:

Most of Islamic world is in turmoil, the muslims of South Asia, South East Asia, Africa, Middle East and in western countries. The causes of muslim Turmoils are more or less similar to the muslims in Sub-Continent before partition.

The problem is that the muslim do not learn any thing with the partition of Sub-Continent.

The steps to counter have to is still

the muslims can do alot if they unite on their one platform and forget about religious and sectarian conflicts.
