## The Laziness Over the Activeness.

meaning?

The Irrational actions of certain stakeholders are behind the every evil in this world. Devil is considered as the universal busiest creature and laziness as the main cause of disorganized world ~~by the author~~. The author imagined that if the Royals, Generals and Journalists stayed calm rather than fighting in WW1, then the world would have been better than how it is today. Moreover, if the statesmen invested their energies in better activities or simply did nothing would work in the best interest of universe. Laziness is not a crime but a blessing in a disguise, if half of the current European Politicians follow this concept this will surely profit the world. The diverted efforts by various groups and organizations is not
