Translation Q7 = 2024

When the self-made dispute of Palestine was presented in front of United Nations for resolution, then ~~that~~ that representative World organization, recognizing the Palestinian people's right to self determination, formulated the solution ~~of~~^{to} these issues. The two state solution to the Palestinian conflict was decided, but that turn to follow/implement the resolutions approved by United Nations, had not ^{been} come ~~yet~~ for the past seven decades.

On the contrary, Israeli forces, with the help of U.S.A, are playing holi with the blood of innocent Palestinian till today. And the territory of Gaza has been completely destructed because of the ongoing war for the last two and half month. In this war, Israeli forces, aided by U.S support, have ruthlessly martyred over 20000 Palestinians including women and children, and leaving no safe place for the surviving humans, who are now losing their lives due to the shortage of food and medicines.
