

Q) Importance of deen in human life.
Difference between Deen and Religion?

Introduction :-

Islam is a deen. It covers all aspects of life. Hazrat Muhammad (s.a.w)

is the last messenger of God. (Deen covers all aspects of life). Deen is very

important in human life.

Deen covers complete code of life, human independence

Islam is a guidance, Tolerance and eliminate extremism, and ^{make} brotherhood among Muslims.

There are many difference

btw Deen and Religions:

Importance of Deen in human life:

1 Complete code of life:-

Islam is a complete code of life. It covers all aspects of life: Political,

economical, Administration and Social. These all aspects

covered in Madina when

Hazrat Muhammad (s.a.w)

established a state in Madina

That state is an example where justice is given on time. There is an Islamic principle used for the world. This is the lesson.

2 Human Independence from multiple gods :-

In past Madina, there people worshiped multiple gods but when Hazrat Muhammad (S.A.W) proclaimed as a messenger of God. Many people became Muslim and they were obey only one God.

Al Imran 19 $\text{إِنَّ الدِّينَ إِذْ وَضَعَكُمُ اللَّهُ فِي الْإِسْلَامِ}$
Certainly, Allah's only way is Islam.

Now, we see there are many religion like Hindus they worship multiple idols Muslims are free and they just obey only one God.

3 Islam is a guidance :-

Islam is a practical deen. The Quran Majid is

Leave a line space between headings for neatness

Use more specific and relevant arguments

the theoretical and Hazrat Muhammad (S.A.W) is the practice way of Hazrat Muhammad (S.A.W) every work performed by the order of God, Allah said in the Quran.

ذٰلِكَ الْكِتٰبُ لَا رَيْبَ فِيْهِ هُوَ الْهُدٰى
This is the Book! There is no doubt about it - a guide for wisdom for those mindful of Allah.

4 Tolerance and eliminate extremism:-

In tolerance and ~~eliminate~~ extremism are the big challenge for people. People do not tolerate they show fast respond without knowing reality. In Pakistan extremism is on peak. In Sep, 2024 a doctor was killed by mob in case of blasphemy.

The centre for Research and security Studies, Published in 2022. 89 people were killed from 1947 to 2021 and 1500 cases were reported. Allah said in Quran

قُلْ يَا كٰفِرِيْنَ
Say, O Prophet, O you disbeliever

I do not worship what you worship
nor will you worship what I worship
I will never worship what you

nor will you worship what
I worship.

you have your way, and
I have my way.

By this Surah, we take
conclusion that Allah does
not like extremism. I
this Surah Allah say If
a person does not agree
with you then leave it.
you have your way and
other person will go
his way.

5) Brotherhood make among Muslim :-

Islam accumulates people
because individual life is
not possible. Every person
need other people help.
A person is dependend on
other person for his needs.

انظروا العوصون اذوة فاصحو بين
 اذويتهم واتقوا الله لعلكم ترحمون

The believers are but one brother so make peace between brother. And be mindful Allah. so you may be shown mercy.

Difference b/w Deen and Religion

Deen	Religion
1 Deen covers all aspects of life: Political, Economical, social, and worship.	Religion covers worship and does not cover all aspects Political Economical.
2 Deen is a divine, is certainly, Allah's only way is Islam. Al Imran 29	Many religion is created by man such as Hinduism, Qadyane.
3 Deen gives a Power to man, you can do everything you want, if you try best.	Religion believed on fatalism and this tends to dissuade man from active life and self develop

Attempt the differences part in detail by giving headings and subheadings; not in a tabular form

4) Deen forbids new things adds in the Quran.

Religion adds new thing his books. we see Torat, Zaboor Injeel these holy book were tempered by his believer.

5) Deen is the way of life.

Religion is a way of life.

~~Religion is not Deen.~~

~~Deen is a religion.~~

6) Muslim accepts all messenger of God

Jews discrimination in messenger and Christian belief Hazrat ~~Musa~~ Issa A.S is son of God

Conclusion :-

Islam is a deen.

It covers all aspects of life. Political, Economical, Social.

Religious covers individual affair such as ~~god~~ Religious person worship ^{only} God. It does not cover all aspects of ~~ista~~ life.
