

CSS Reading Comprehension 2006

DATE: _____

DAY: _____

Ans 1: According to author, most of us fail in our efforts at self-improvement because of two reasons. First, our goals are too idealistic which are nearly impossible to attain. Secondly, the main reason of the failure is informing others about our goals.

Ans 2: It is a basic mistake to announce our goals and resolution to others because it results in us being more foolish when we quit our struggle to achieve them.

Ans 3: The writer did not carry out his resolution on New Year's Day because he joined a night party on the eve of new year. Resultantly, he could not manage to get up and carry out his resolution.

Ans 4: Intimidating → Frustration.
Peril →
Dwindle → Wane
Repel → Resist.
