

Happiness lies within Every ideology not identity

Every individual considers himself and his country superior to others, this is wrong approach because everyone has pro and cons, but people just pick the qualities especially own country. Nowadays, people take it wrong. Many individuals have lost jubilation in their lives and assistance is needed to them through astute on custom and separate healthy and bad once to each other, and adopt beneficiary values of other countries.

In every country, people imagine that they are the best and the cleverest and the others are not so good as they are. The Englishman thinks that he and his country are the best; the Frenchman is very proud of France. The Germans and Italians think no less of their countries and many Pakistanis imagine that Pakistan is in many ways the greatest country in the world. This is wrong. Everybody wants to think well of himself and his country. But really there is no person who has not got some good and some bad qualities. In the same way, there is no country which is not partly good and partly bad. We must take the good wherever we find it and try to remove the bad wherever it may be. We are, of course, most concerned with our own country. Unfortunately, it is in a bad way today. Many of our people are poor and unhappy. They have no joy in their lives. We have to find out how we can make them happier. We have to see what is good in our ways and customs and try to keep it, and whatever is bad we have to
