

## TRANSLATION - 2.

If the world doesn't attract you to itself, if you get tears in your eyes by God's fear, if the imagination of hell causes fear in you, if you perform worships in the way it has to be done, if the good deeds attract you to itself and your feet stop walking towards bad deeds, then you are pious. Some are pious, some become pious. Being pious is a good luck. Being pious is a continuous purification and is a process of struggle. It takes time and also had to endure hardships.
