QNO

## QNO7 English Translation

The sage said there is a mountain across the forest where the flower grows, whose fragrance restores the eye's lost light. However, the mountain is very high, with countless rock and thorny bushes and the big stones blocking the way. In order to get that flower, a great many people came and went, but no one was able to get that flower. Perhaps, there are griefs and sorrows in this universe and man is in search of light.

## QNO3 Passage

1) According to a passage, Happiness is most important to most of people; just in getting minimal resources for their existence. The relationship

Date: \_\_\_/\_\_\_/20\_\_\_

between wealth and happiness is not simple; owing to material possession, North Americans and European must be happy on Earth but according to the Happy Planet Index (HPI), 2012, they are not.

(ii) The author characterize the concept of "voluntary simplicity" as movement and as philosophy towards a way of life that appearance should be simple and by heart man should be a rich that emphasizes on to reduce the consumption of goods and services and to mitigate one's impact on environment.

(iii) Growing consumerism in modern society leads to environmental consequences. The author's fears, depletion of resources, increased waste and environmental degradation due to excessive consumption.

v) Influence like advertising and concept of success make it difficult for people to reduce consumption. The constant message that product define success, coupled with peer pressure and societal expectations, hinders adopting simpler lifestyles.

v) Challenging of voluntary simplicity include resisting societal pressures and redefining success. However, embracing it offers rewards: conserving resources for future generations, inner satisfaction, enhance relationships, reduce stress and greater life satisfaction.

## QNO2 Précis

Regarding freedom in education to the children, the first party advocater for complete freedom; second party advocates for absolute authority and third party advocates

Freedom for good students. but author do not like this thought, because, they think, 'education is for development. Whereas, positive education is necessary for a cooperative society. Some pro-freedom educators are successful due to their exceptional judgement, which is impossible to create. Moreover from social view point, the moral aspect is more important than the development aspect of education. Therefore education should provide development as well as moral training to children.

Title: **Freedom in Education to the Children.**
